

Uchenna Ofor

Fullstack Web Developer

✉ ucheofor2015@gmail.com ☎ 08100608127 in LinkedIn 🐦 Twitter 📄 Github 🖱 Website

PROFILE

I'm a developer with almost 2 years of experience building fast, scalable, and functioning websites using JavaScript, Typescript, and Python, as well as frameworks and libraries such as React, Django, and so on.

I'm all about making magic with the flow of logic, alongside well-sculpted displays of rich artistry, in my web applications.
