

# Ofor Uchenna

## Fullstack Web Developer

✉ ucheofor2015@gmail.com ☎ 08100608127 🖱 Website **in** LinkedIn 🐦 Twitter 🏠 Github

### Profile

---

I'm a developer with almost 2 years of experience building fast, scalable, and functioning websites using JavaScript, Typescript, and Python, as well as frameworks and libraries such as React, Django, and so on.

I'm all about making magic with the flow of logic, alongside well-sculpted displays of rich artistry, in my web applications.

### Professional Experience

---

#### Freelance Fullstack Developer

08/2022 – present

- Building full-stack websites for businesses.

- React.js [🔗](#)

## Organizations

---

### **GDG DevFest22 Owerri, Volunteer**

12/2022

GDG DevFest 2022 is a conference for enthusiasts to share their passion for Google technologies, including Android, Web, AI, and Cloud technologies.

Owerri, Nigeria

I worked as the slideshow operator in charge of handling the slides for each speaker on stage.

### **Google I/O Extended 2022, Participant**

07/2022

This is an annual event hosted by the Google Developer Group, which aims to connect developers from around the world for thoughtful discussions, hands-on learning with Google experts, and the first look at Google's latest developer products.

Owerri, Nigeria
